ABOUT GHANA MINING EXPO

As is well projected, and with the support from the government of Ghana through the Ministry of Lands and Natural Resources and the Western Regional Coordinating Council, the core of the Ghana Mining Expo event is to pursue and successfully entrench the "Potential Benefits of Minerals & Sustainability" through measures such as value addition; maximization of value chain development; environmentally responsible extraction through annihilation of harmful chemicals, formalisation and streamlining of operation by adopting best practices; incentivising exploration, driven Mineral Resources from mine to market.

The Ghana Mining Expo provides a multi-sectoral platform for the sharing and exchange of ideas, opinions, and thoughts on the investment opportunities and challenges in the Africa Gold sector, aimed at implementing strategies for accelerated growth in mining in addition to assuring resilience on all fronts and at all times as Africa's economic bedrock.

The initiative has been running since 2020, with the President of Ghana as the Special Guest of Honor. On the 13th to 15th of July 2023, the 4th edition will be hosted in Takoradi, the Western Region of Ghana.

The theme for the 2023 Ghana Mining Expo is: **SUSTAINABLE MINERAL RESOURCES DEVELOPMENT & WELL-BEING OF MINING COMMUNITIES**

In addition to an exhibition, the 2023 Ghana Mining Expo will involve speeches, presentations, and panel discussions on various Mining industry related topics focused on the theme and shall comprise of 4 main sections, as follows: Mine and Investment, Gold Out-flow & Responsible Supply Chain of Minerals, Mining Policy Forum and Breakout Session.
